

Camp champions

A camp for children and young adults with special needs celebrated a successful year of support from a loyal group of backers known as the Moriches Paquatuck Squaws.

The Squaws comprise more than 30 women, who meet monthly to plan and execute fundraisers for Camp-Pa-Qua-Tuck in Center Moriches. Over the past year, the Squaws raised \$150,000 for the camp; \$138,000 of that tally was generated during the group's annual four-day Spooky Walk event around Halloween.

The Squaws were honored during a Rotary Club of The Moriches dinner at the camp last month.
